Design: 'Lola'

## Designer: Wolfgang C R Mezger

The multi award winning studio of German designer Wolfgang C R Mezger has produced a wealth of world class designs for a host of leading International companies. Wolfgang originally trained as a typographer though, and enjoyed a period as a musician in a band before he embarked on his design studies; graduating in 1979 and winning the Braun award in 1980.

After years as a freelance designer working in collaboration with many eminent names and lecturing extensively in Berlin, London and his old design school in Schwabisch Gmund, he opened his own design studio in Eislingen.

## Features:

Lola is an exciting and stunning new design from Wolfgang C R Mezger for Allermuir. Representing the first design from this eminent designer for the company, Lola is a seductive, curving and shapely, yet strong and dependable collection. Like two cupped hands this charismatic upholstered range comes in the form of a two-seat sofa and a chair, with dynamic four legged tubular steel frames, and swivel chair with simple flat steel disc base, plus matching flat base, centre pedestal coffee tables. These grand pieces provide excellent comfort and posture and are ideal for reception foyers and atria or for relaxing in corporate lounges and breakout areas.

## Finishes:

Frames can be finished in EPPC from our standard finishes or chrome plated. Upholstery is available in a wide range of fabrics and leather. Swivel bases are available in polished chrome only.

## Marketplace:

This is a luxurious, high end of market design with A&D appeal. These pieces will work equally well in corporate atria, executive lounge areas, VIP airport lounges or informal meeting areas and breakout spaces.
