

## Why Choose Think?

Why work with us:

- Think are an independent furniture company - this means we do not force feed a particular solution upon our clients.
- Think Furniture focus purely on furniture...not stationery, copiers or fit out. This means we specialize and offer our clients a large portfolio of furniture at competitive rates.
- Think Furniture have been trading for over 5 Years. We have an established client bank and good relations with our manufacturing partners. This provides clients with the reassurance of a stable, customer focused company to engage with.
- Think are London based ,but cover the south east of England for all furniture project needs. We can offer a range of specialist skills such as furniture design, project management and Cad/Space planning as well as DSE ergonomic assessments.
- Think pricing policy dictates we work from a "Cost up" basis which ensures clients benefit from any additional discounts available from our manufacturing partners.
- Think has a culture of openness and are friendly and approachable.
